

**5 YEAR
GEARBOX
WARRANTY**

Pasture Toppers

**Made in
Australia**

The high speed pasture topper gives superior sharp, clean cutting promoting pasture rejuvenation.

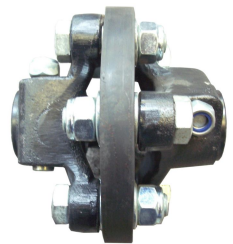

- 3mm top deck with rhs structural support providing extra strength
- Fitted standard with adjustable skids providing a cutting height of over 200mm
- Twin springsteel rotors fitted with twisted and deeply stepped Boron blades create an uplift effect whilst topping resulting in a cleaner cut and more even spread of the cut material out the back.
- Fitted as standard with 45 HP outer gearboxes and 75HP centre gearbox. Optional 75HP outer gearboxes are also available.
- All gearboxes are Italian made and oil lubricated and come with a **5 Year Manufacturers Warranty**.

SPECIFICATIONS

Model	10' (3.0m)
Code	0115 (45HP) 0116 (75HP)
Cutting Width	2900mm
Overall Width	3120mm
Weight	500kg
Tractor HP	35HP+
Cutting Height (using wheels)	25-200mm

- Rotors are timed so that they overlap each other and are protected by a flexible drive rubber coupling and shearbolt backup. Fitted with Italian Series 5 pto shaft with integrated slip clutch.
- Optional 14" Holden wheelkit controls the topping height instead of the skids. Adjusted either via ratchet or hydraulic ram.
- Front and rear rubber flaps are standard with rear one able to be positioned up out of the way so as to not restrict grass flow.
- Pasture toppers are designed specifically for topping and should not be used as a slasher
